

# FLEXPO™ cowboy II™

3 Panel Graphic Fabric™

Full Graphic Fabric™

stylish, flexible, ultra-portable...

The FLEXPO™ Cowboy II is an elegant 10 foot display that incorporates the metal and fabric elements that are so popular today. The separate counter provides desk space and hidden storage. The lightweight and compact disassembled unit reduces your freight costs and the no-tool design will eliminate labor costs since the entire unit can be setup in less than 30 minutes. And because Cowboy II is part of the FLEXPO line, the frame is easily re-configurable into different displays!

## features

- Accommodates RasterPrint™ or Lexan® Digital Graphics
- No-tool assembly
- Quick, intuitive setup
- Frame re-configurable into alternate displays
- Extremely compact shipping
- Lightweight
